

CHILD ABUSE PREVENTION MONTH – QUOTE GRAPHICS

The following quote graphics can be used weekly throughout the month of April to promote Child Abuse Prevention Month.

There are both co-brandable and D2L only branded images for your use. Following are some suggested Facebook and Twitter posts that you can use or modify as needed. Whether you use suggested copy or make up your own, we strongly recommend that you encourage your audience to take some kind of action whether that be learning, sharing, staying involved, or supporting the prevention of child sexual abuse.
