## — BY DARKNESS TO LIGHT —

### ABOUT + PRICING

**Child Safety Foundations** is Darkness to Light's comprehensive curriculum suite, designed to equip adults with the knowledge and tools they need to protect children where they live, learn, and grow.

Grounded in the latest research and best practices, Child Safety Foundations expands on the core principles introduced in *Stewards of Children*®, offering deeper insight, real-world strategies, and actionable steps to create safer communities for children.

As part of this launch, the training cost per training seat will increase from \$5 to \$8, **effective August 5, 2025**. This increase reflects the enhanced content, expanded offerings, and our continued investment in high-quality prevention education.

Whether you are a parent, educator, youth-serving professional, or community leader, Child Safety Foundations helps you move from awareness to confident action—because **every adult has a role in protecting children**.
